## WHO ARE WE?

The **Corvettes of Dakota Territory** or **CDT** was formed February 4, 1976 to bring together **Corvette** enthusiasts in the Bismarck-Mandan area.

Our Club exists because of a unique automobile, the **Corvette**. It brings together a great blend of people who enjoy driving **Corvettes** and being associated with other enthusiasts of this great American icon. Together we promote, enjoy and preserve the LOVE of the **Corvette**.

CDT encourages **Corvette** owners from all areas to join and we have members from other states. We are a diverse group, young, old, men and women, all who enjoy having fun, driving our **Corvettes**, and getting together to share our experiences. We would love to meet you; and you are welcome to attend any of our meetings or events as our guest. Meetings are usually held on the 2<sup>nd</sup> Friday of the month at 7:00 pm CT, please check our website for location.

Each month we generate a newsletter containing meeting minutes and information on upcoming activities; both our own and those around the region. These are sent to members by e-mail.

Throughout the year our members participate in various car shows in the area and in some cases, out of state.

## CLUB EVENTS!

**CDT** hosts or attends various events throughout the year, including:

**Tuesday Night Runs** – We join as a group and drive from Bismarck or Mandan to small community restaurants for supper and fellowship. Runs start at 6 pm and typically return around 10 pm. Once in a while we have a garage tour where someone is willing to share their personal creations and collections.

**Buggies and Blues** – We are an active participant in the annual Buggies and Blues car show in Mandan, North Dakota. On several occasions the **Corvette** has been the featured car.

**Spearfish Corvette Rally** – In July we travel to Spearfish South Dakota to partake in the annual corvette rally. There are several excursions or cruises through the Black Hills to enjoy the sites and thrill of driving the winding roads.

**Cool Deadwood Nights** – In August there is another trip to the Black Hills to relax and enjoy the activities in Deadwood.

**Fall Picnic** – Every fall we have a picnic to gather and share the moment of closing out the summer fun.

**Annual Meeting** – In January we celebrate another year of fellowship and friendship and hold a silent auction of Corvette items to support our charities.
